NOTICE INVITING TENDER FOR SALE OF SODIUM NITRATE WET CAKE

Tender No: ZC/NFC/588a/2012

Due date of submission: 17.02.2012

On behalf of the President of India, Project Director, Zirconium Complex, Department of Atomic Energy, Pazhayakayal Post, Srivaikundam Taluk, Tuticorin, Tamilnadu-628 152 invites sealed tenders for purchase of the following chemical on, "As is where condition":

1.0 DETAILS OF THE CHEMICAL

S.No.	Chemical Effluent	Qty	Unit	Nominal Composition
1	Sodium Nitrate Wet Cake	2000 MT (100% Sodium Nitrate basis)	MT % Weight/ weight	Sodium Nitrate: 30-40% Insolubles: 20-30% Moisture: Balance

- 1.1 The **Sodium Nitrate Wet Cake** is directly disposed off in "as is where is" condition.
- 1.2 For inspection of the above material, interested parties may contact the Manager (OPF) or the Project Director, Zirconium Complex, Pazhayakayal (PO), Tuticorin, Tamilnadu- 628 152.
- 1.3 The validity of this offer is open for 120 days from the date of opening of the document.
- 1.4 Parties interested to purchase the same subject to meeting the conditions stipulated in this document are requested to fill up the schedule given below.
- 1.5 The prospective purchasers who have already established the processing facilities/likely to establish the processing facilities will be identified based on the tender and sale order will be issued immediately. However actual supply shall commence subject to fulfilling the conditions stipulated in paragraph 2.0 and its sub paragraphs (**Conditions for lifting the materials**).

1.6 Prospective buyer shall arrange for collection of the material at Zirconium Complex premises, using his own man power and transport. It will be deemed as a failure of performance if the collection schedule is not adhered to.

2.0 **CONDITIONS FOR LIFTING OF MATERIAL**

2.1 Zirconium Complex reserves the right to enter into parallel contracts with more than one firm for the same item.

2.2 It is the responsibility of the firm to collect the material offered, from the Plant in Zirconium Complex, Pazhayakayal Post, Tuticorin District either directly or through their authorized agents, after complying with necessary formalities.

2.3 The firm shall arrange for collection of the material from Zirconium Complex premises as per the nature of Chemical i.e **Sodium Nitrate Wet Cake** by their own personnel and transport. It will be deemed as a failure in performance if the collection schedule is not adhered to.

2.4 The firm is solely responsible for any accident, pollution, etc. taking place either at Zirconium Complex while lifting the materials or during transportation or while storing / processing / disposing at their premises.

2.5 The quantity offered for sale as shown above is approximate and may vary. The composition / concentrations given are only indicative and there may be variation.

2.6 Only the parties having the following valid clearance certificates/licences will be considered for purchasing the Chemical.

a) Consent from State Pollution Control Board.

b) State Industrial Licence Registration certificate to operate the Industry.

2.7 The tenderer is required to furnish all the information asked for, in the absence of which, their offer shall be rejected.

2.8 After acceptance of the tender, the tenderer should remit the cost of the materials and arrange to lift the entire quantity of material offered as per the agreed delivery schedule.

3.0 **DETAILS TO BE SUBMITTED**

3.1 Firms interested in processing the above materials shall give the schematic process flow sheet of their proposed scheme for the treatment of **Sodium Nitrate Wet Cake** with equipment details and method of disposal of the end products / effluents after necessary treatment.

3.2 Statutory clearances already existing / required to be obtained for the setting up of the proposed scheme by the applicant shall be clearly brought out.

3.3 The period of contract shall be for 3 (Three) months subject to extension for further period(s) on mutual agreement.

- 3.4 The firm shall mention the facilities required to be provided by Zirconium Complex and any additional terms and conditions of contract other than that mentioned in this tender.
- 3.5 It is the responsibility of the firm to safely dispose off the wastes generated by them during processing of **Sodium Nitrate Wet Cake** in a suitable manner in keeping with the standards laid down by the State Pollution Control Board and other regulatory agencies.
- 3.6 The firm shall have experience in the field of chemicals to understand and handle **Sodium Nitrate Wet Cake**.

4.0 HOW TO APPLY:

- 4.1 The tender along with the documents required as mentioned at 2.0 and 3.0 above shall be submitted in sealed cover within the stipulated time, addressed to:

The Project Director,
ZIRCONIUM COMPLEX,
Tuticorin – Tiruchendur Highway,
Pazhayakayal (PO),
TUTICORIN – 628 152.

- 4.2 The tender should be signed by a competent authority or attorney vested with power to sign contracts in the case of private and public limited companies. In the case of proprietary concern, it should be signed by the proprietor or his authorized attorney.
- 4.3 In the case of partnership firm, it should be signed by the managing partner or his authorized attorney.
- 4.4 The sealed tenders should reach the office of the Project Director, Zirconium Complex by 14:30 hrs on 17.02.2012.

5.0 GENERAL CONDITIONS:

- 5.1 Zirconium Complex does not undertake to give any guarantee for delivery of any desired quantity. However, efforts will be made by Zirconium Complex to meet the desired quantity.
- 5.2 Zirconium Complex shall not be liable for delay in performance of the contract resulting from or contributed to by circumstances beyond the control of Zirconium Complex such as fire, explosion, accident in Plant or equipment, riots, war or national emergency, labour disputes of any kind, etc.
- 5.3 Any question of difference or dispute arising out of the proposed contract shall be left to the sole arbitration of the Chief Executive, Nuclear Fuel Complex or his nominee and any decision taken by the Chief Executive, Nuclear Fuel Complex or his nominee notwithstanding that he or his nominee is a Government servant, shall be final, conclusive and binding on both the tenderer and Zirconium Complex.
- 5.4 Zirconium Complex's responsibility shall cease at the delivery point, the moment the material is collected by and delivered to the buyer or his authorized agent / carrier.
